

UP Meet God

Transforming ordinary people...

God is your Father and He loves you. He's so close to you that you can almost reach out and touch Him. He believes in you. He wants good things for you. We recognise that all of us are broken... we all have experienced a separation from God. But through Jesus' death and resurrection you can know Him and be reconciled back to His family.

By believing in Jesus we don't just get a ticket to heaven and can do what we like whilst we wait. Jesus never promised anyone an easy life, but He promised a quality of life which comes from living in a relationship with Him. That life starts now and goes on into eternity.

IN Meet friends

Into disciples of Jesus...

Jesus came to earth to show us a better way to live. He came to heal the damage and disease in our life and died the death we were already dying spiritually, to give us new life. Through the death and resurrection of Jesus, He provides the strength to overcome the brokenness in our lives, so our relationships with each other and our relationship with God can be restored. We're a church that's becoming a healthy family. Following Jesus is not a crutch for the weak where if we put in enough prayer and good deeds, out comes a reward for us. Jesus came to restore God's original plan, to restore that love and unity with God and between other humans.

OUT Live life better

Together changing the world

God is reaching out to the world around us and as followers of Jesus, we are called to help Him in that work. He's restored it to how He originally created it to be, from the brokenness in us, all the way to the broken and unjust systems that exist. And He wants us to get in on it. Through us, God changes our communities. Together, we can change the world. God does not only accept 'nice' people. We all need forgiveness. God wants everyone to enjoy an eternal relationship.
